### **The power of the Mother: a historic moment**

On Friday around fifty of us were present in church to pray Pope Francis's prayer; a few days earlier he had asked *all Catholics* throughout the world to join him and all the bishops in our respective churches in dedicating Russia and the Ukraine to Our Lady.

We spoke the words on behalf of you all and were conscious that the same words were being said in different languages in every nation.

Jesus' saving power over evil deliberately comes to us through the humble heart of his mother. Who can forget the miraculous fall of Communism in country after country in the years after St Pope John Paul II consecrated those nations to Our Lady in 1984?

It is only by publicly recognising Mary's motherhood that peace will come: *"Christ will conquer through Mary, because He wants the Church's victories now and in the future to be linked to her."*

St John Paul II: [Crossing the Threshold of Hope](#) (1994)
